### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Robert W. Connors on 8/15/2006.

The application has been amended as follows:

- In the after final amendment filed on 8/3/2006, the newly submitted "Amendments to the Claims" omitted the listing of claims 1-7. Claims 1-7 have been previously been cancelled and Mr. Robert W. Connors acknowledged that claims 1-7 are cancelled from the application.

2. The following is an examiner's statement of reasons for allowance: The subject matter of the independent claims could either not be found or was not suggested in the prior art of record. The subject matter not found was an enclosure removably accepting a disposable unit for flowing fluids through a disposable dialysis unit and an infrared heater having an emitter, a housing enclosing the emitter with an opening configured to face the disposable unit, an infrared transmissive material covering the opening, and an infrared reflector position opposite of the infrared emitter such that the disposable unit is between the emitter and the reflector so that the infrared energy from the emitter is directed toward the infrared transmissive material in combination with the other elements in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew M. Gilbert whose telephone number is (571) 272-7216. The examiner can normally be reached on 8:30 am to 5:00 pm Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kevin Sirmons can be reached on (571)272-4965. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
